Pursuant to the Interim Final Rule ("IFR") of the Transportation Security Administration ("TSA") in the above referenced docket, Virgin Atlantic Airways Limited hereby submits this revised "Appendix A" setting forth information on the costs incurred by Virgin Atlantic related to passenger and property screening for 2000.

This filing revises the filing previously made by Virgin Atlantic on May 17, 2002 which, by virtue of a misunderstanding with JFK Airport, failed to include relevant costs incurred at that airport. Those additional costs, in the amount of \$398,477.13 are itemized in column (b) of the revised form "costs incurred through other means."

This filing is made electronically and by EMail. It also is being submitted today by certified mail, along with an original, signed, certification.

Respectfully Submitted
